

たこ 凧揚げ ▶ kite flying

Flying a kite is a traditional game, mainly for boys, during the new year's holiday. Kites usually have a bamboo frame with paper affixed and strings attached, so that they can fly high with the wind.

凧揚げは、主に男の子が正月にする伝統的な遊びです。竹の骨組みに紙を貼って糸をつけ、風を利用して空高く揚げます。

【豆知識】同じ「揚げる」でも、sail（帆）やflag（旗）は、raiseやhoistを使います。
